CONTINUING MEDICAL EDUCATION

* This activity was planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Association for Clinical Chemistry (AACC) and the **Forensic Drug Abuse Advisor**. The AACC is accredited by the ACCME to provide continuing medical education for physicians. The AACC designates this continuing medical education activity for a maximum of 13.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

** The AACC also designates this activity for a maximum of 13.0 ACCENT® Continuing Education credit hours. AACC is an approved provider of continuing education for clinical laboratory scientists licensed in, but not limited to, the states of California, Florida, Louisiana, Montana, Nevada, North Dakota, Rhode Island, and West Virginia.

*/** Subscribers from January-December 2011 can earn up to 13.0 credit hours by successfully completing the program, which is free with a paid subscription. The Continuing Education program consists of reading all of the newsletter articles and completing a semi-annual quiz. You must receive this newsletter in your own name to receive CME or Continuing Education credits.

* **FDAA is an American Board of Pathology Provider for Self-Assessment Modules (SAMs), which are part of the Maintenance of Certification (MOC) process.**
